The selection committee will look at the overall quality of the essays submitted as well as the personal qualities of each athlete (as listed below in #2) in making their final decision. Recipients of the scholarships will be notified in May 2010.

The criteria for the scholarship include:

1. Eligibility to graduate
2. Demonstration of the following qualities:
 - Positive attitude
 - Good sportsmanship
 - Collaboration with teammates
 - Commendable work ethic
 - Strong team spirit
3. Submission of an essay that is well-written and convincing.

The application process includes:
