

2013-14 YS All Sports Booster Club

October 7, 2013 Minutes

Meeting called to order at 7:00pm by President Missy Badovinac.

Treasurer's Report:

- Volleyball numbers are almost in
- Paid t-shirt invoice
- Many more memberships than last month
- Most money ever made at girl's volleyball and boys' soccer
- We pay a lot of money in referee fees

Membership

- Membership doing better.
- Fall sports
 - The highest membership is within the cross country team. 15 out of 33 team members are booster club members.
 - As of October 4, 2013, total membership dollars is \$2940 -- but we have a goal of reaching \$4000 to cover 8 scholarships.
 - We should make more money if we want to give more scholarships
 - Try to get scholarship applications into the hands of parents
- It is optional but we need people to become members. It is hard to ask for money, but it is important.
- Have people look at the website to see what All-Sports Booster Club does. (ysboosters.org)
- If you get memberships just leave them in the mailbox at the front office.

Website-- Webmaster: Marc Smith (marcesmith@gmail.com)

- Marc has done an incredible job overhauling the website and bringing it up to date. He has spent hours volunteering his time to greatly improve the site.
- Please send him pictures of players and he will post them.
- The web site is ysboosters.com

Update on Tournament

- We have had a good fall.
- Next meeting is an allocation meeting in November. This is the meeting where we tell you what you will be volunteering for.
- Basketball tournaments are busy

- Next year we should change the way we do allocations, because we lose money. We give half of what we make to the band, so the amount that is made at the end of the evening is even less than you think.
- If you want to be on a committee to make it more profitable, see Leslie Platts.

Scholarships -- Jerry

- Get all the information about scholarships on the website
- Due dates for applications are: November 17, January 10th, and April 7th.
- Application for senior and coach
 - 150 word essay question
 - Applicants use student number instead of name on application
 - Judges are 2 student alumni and a former teacher
 - Jerry will personally hand out applications to senior athletes.
 - Can submit an application for each sport played.

Athletic Department Report -- Chris Adams

- Winding down the fall season.
- Gearing up for winter
- We anticipate championships for boys' and girls' cross country.
- Winter sports begin on November 18.

Outdoor/Indoor Stand

- *Outdoor Stand:*
 - We received a check, but Missy believes that we will make twice that.
 - Please refer to the manual when you are working and make sure to turn off appliances when you leave.
 - Every dollar we make is shared with the band boosters.
- *Indoor Stand:*
 - A huge thank you to Leslie and Carol for going through the storage and discarding items, consolidating and purchasing bulk items under a new system. We have scaled back the offerings to be better managed and more profitable.
 - There was a request for frozen snickers, which seems like a good suggestion.
 - When you are manning concessions, ask parents who will bake because that is pure profit.
 - Basketball generates a lot of revenue, but other teams do not make very much money. We do this at all games as a courtesy.
 - If you have questions, please email Missy (MAPD4@AOL.com)

President and President-Elect

- We need a President and a Vice-President for next year.
- Missy currently has no Vice President, so we need someone to step up.
- This is a fun way to give back to the community.

Old Business and Questions

- Look into setting up a Girls' Soccer Tournament to piggyback on the Boys' Soccer Tournament
 - Mr. Adams suggested replacing Boys' JV with girls' varsity
- Are teams allowed to fundraise?
 - No. The cheerleaders are raising money for Disney. They are selling cupcakes, but all the money is going directly into the boosters. The coaches cannot touch any of it.
 - Lacrosse team got helmets, then they worked off the money by working the concession stands.

Next meeting: November 4, 2013

Meeting adjourned 7:55pm.
