Open Positions for Flowers/Awards and Webmaster

Flowers/Awards - Mary estimates she spends about 10 hours per school year working on flowers and awards. If this position is not filled the reps will be responsible for ordering their own flowers and awards next year. All reps have been asked to ask their parents if anyone is interested in this position.

Webmaster – Marc spends approximately 1 hour per month updating and maintaining the website. Do not need experience to do this he would be able to provide some training. All reps have been asked to ask their parents if anyone is interested in this position.

Reviewed the guidelines for senior night activities. Grandparents and siblings do not get in for free on Senior Night, only parents and step parents. Guidelines have been added to the Team Representative Document. For the football game this Friday the reps from Football, Cheer and Band have been/will be asked to meet their parents at the main gate to help identify which parents get in for free. The Athletic Department will print passes for future senior night events. Passes will be available at the beginning of each sports season from any of the Booster Club Executive Committee members.

York Revolution Concession Stand – all agreed that we should continue with this fundraising opportunity next year. The group requested that a mix of weekend and weeknights be selected next year. All reps are expected to sign up for at least one date per season.

Monthly Booster Club Meetings – the group discussed the option of meeting every other month since our meetings have been very brief this year. For the months that we do not meet an e-mail will be sent informing the group of any items/issue that would have been discussed at that meeting. Reps will be expected to respond to e-mails where appropriate or requested. Meetings will be held in January, March, May and June (end of season pizza party) for the remainder of the 2015-2016 school year. Meetings in December, February and April have been cancelled. This item will be re-addressed for the next school year.

Athletic Director Report:

Boys and Girls Basketball Tournament are coming up in December.
YS Relays are scheduled for Friday, April 22, 2016. Last year we had a great response to moving the relays to Friday night.

Girls Tennis lost 1 league match and qualified for districts.
Girls Volleyball finished 2nd in YAIAA and also qualified for districts.
