

York Suburban All Sports Booster Club
October 2018 Meeting Minutes

Call to Order at 7:07pm. By Josh Leik

Approved minutes from August 2018 meeting. Motion – Jennifer Myers, 2nd – Michelle Schultz

New Business:

Golf Tournament

- The committee met with Anthony, the golf pro at Regents Glen. The tournament will be held on June 22nd and the club has blocked out the entire day for Suburban.
- Planning on 32 foursomes. Probably starting at 1pm and offering dinner. This is flexible and will be finalized based on number of teams entered.
- Hoping that every sports team will have at least one foursome and one sponsor to add.
- Cost to YSASBC is \$75 per person for golf and meal. Finalizing what will be the charge for each golfer to register. Reminder that is a private club, which makes it more desirable for non-members to golf.
- Proceeds will benefit the YSASB, but this is also planned as a community event. Focus on the fact that it is Suburban's home golf course.
- No kids are invited to play that day. Clarification will be needed.
- Need to send a \$1000 deposit to the club soon. It is non-refundable.
 - o Motion to approve – Jennifer Myers, 2nd by Rachel Quinn

Treasurer's Report

Financial Report was shared. The Music Booster Club allocation will be updated due to Clarification of the policy.

The Executive Committee will discuss the best way to show allocations in the Financial Report each month.

Discussed the possibility of Electronic Payment for Booster Club Memberships

- Could it be added to Infinite Campus as an option?

Discussed switching banks to M&T due to location and Night Drop Box

- Motion to approve – Lindsay Grady, 2nd by Jenn Culbertson

Membership

All reps should encourage membership and remind families that memberships=scholarships

Possibly send the membership list to all team families as a reminder.

Awards

We need a clearer format and guidelines regarding how much each team can spend.
We are allowed to spend \$10 per award, number of awards will vary by size of team.
