TIME:

6:30 PM

LOCATION

York Suburban High School

IN ATTENDANCE

Lori Rudy, Laura Klinedinst, Christen Hinderer and Amy Heim – see attached list for Sport Booster Representatives in attendance

NEW BUSINESS

- Amy Johnston and Sara Kline approved the October minutes.
- We will be skipping the January Sport Booster Meeting.
- November 22 @ 2:30 in the lobby is winter sport's picture day.
- Winter concessions were selected - See attached list.
- Discussed three additions to YSASBC Policy & Procedures Manual. There was never a formal agreement between YS All- Sports Booster Club and YS Music Booster Club with regard to Big Orange Café. Basically revenue is split in half, the menu is mutually agreed upon, and if there is a major equipment purchase there needs to be mutual agreement and a 50/50 split on the cost.
- Next, YSASBC Policy & Procedures Manual is updated to include verbiage related to Scholarship Awards. The Scholarship award will be paid directly to the accredited institution for higher education. We will work with Dollars for Scholars as they have a registry in place to make sure checks get to the right place.
- Last, clarification on definition between fundraiser and charity night added to YSASBC Policy & Procedures Manual. Teams can do a fundraiser, charity night and a tournament. See YSASBC Policy & Procedures Manual located on the website <https://ysboosters.org/forms/> for additional information.

- Andrea Lauber made a motion to approve the three YSASBC Policy & Procedures Manual items listed above. Amy Johnston seconded the motion.
- Deadline for senior winter athletes to submit scholarship application is February 21, 2025.
- Winter sports representatives as soon as you know your banquet dates, please provide this information asap, so there is time to order awards and flowers.
- Scholarship committee will be Jess Carter, Laura Klinedinst, Rynn Caputo and Christen Hinderer.
- Signs and magnets will open Monday, November 18th – November 27th at 2:59 pm. <https://ysboosters.org/booster-club-calendar/> click on "Order Here" under the "Yard Sign and Magnet Orders."

TREASURER'S REPORT

- YSASBC application for tax exempt status, Form 1023, is still with SEK to review.
- YSASBC audit required under YS School Administration policies has been completed and submitted to the Administration office.
- Lori will be filing an extension for YSASBC, Tax Form 990EZ which will be filed with the IRS.
- There is a page for Hoops for Harmony on the YSASBC internet page. <https://ysboosters.org/hoops-for-harmony/>
- YSASBC membership form now available online. <https://ysboosters.org/forms/>

ATHLETIC DIRECTOR REPORT – RON COURSEY

- Ron provided a report that Hoops for Harmony is moving along. He discussed the York Vo-Tech concession stand will be run by Accountability for Life (AFL). We will have a sign at the event, indicating AFL is running the concession stand. This takes a large weight off our organization and we can focus on offering time slots to teams for ticket selling and ticket taking.
- Hoops for Harmony has expanded to three sites – York Vo-Tech, York Suburban and William Penn HS.
- There are 55 teams over 42 games and 5 nationally ranked boys teams and two nationally ranked girls teams will be playing in the tournament. Date of event MLK Holiday weekend - January 17th – January 19th.
- William Penn (York High) will have their own staff and concessions.
- Below is a list of corporate sponsors for the event:

○ Frank Walker Law (received)	\$10,000
○ UMPC	10,000
○ State Farm (Ryan California)	1,000
○ Landworks Civil Design (Josh George)	1,000
