## ATHLETIC DIRECTOR REPORT – RON COURSEY

- On August 23, 2023, a camera was purchased for Trojan Field under the leadership of the athletic director prior to Ron Coursey. This camera has recently been found in a closet in the administration building. There is an outstanding invoice for this camera. The district will install the camera. Ron does not have funds in his current year budget for this \$1,500 invoice. Shiela Powers made a motion to approve \$1,500 to pay for the purchased camera from the general fund. Motion is unanimously approved.

## OPEN COMMENT

- Sheila Powers spoke about concerns related to the use of Roxamore Broadcasting at Hoops Four Harmony in light of an event that took place recently at a Girls Basketball Game in Pittsburgh. At the event, the girls basketball team and

coaches mistook speaker reverb as gunshots or ceiling tiles falling and ran from the gym. The Roxamore Broadcasting announcer mocked the girls repeatedly as he was announcing the game.

- Ron responded; he will demand a written letter of apology from Roxamore Broadcasting. Additionally, he will make the broadcaster aware that if anything like this happens at Hoops For Harmony, we will cut ties with the company.

**ADJOURNED**
