DATE:

TIME:

6:30 PM

LOCATION

York Suburban High School

IN ATTENDANCE

Laura Klinedinst, Christen Hinderer, Amy Heim and Dr. Adams– see attached list for Sport Booster Representatives in attendance.

NEW BUSINESS

- Rachel Andricos motioned to approve the minutes; Andrea Lauber seconded the motion.
- We have not heard anything from the IRS on the Form 1023 application for non-profit status we filed.
- Scholarship update – 10 applicants for fall, 8 applicants for winter and 5 applicants for spring.
- Scholarship update – discussion related to needing to scale back scholarships since Ron is gone and we will no longer be hosting Hoops for Harmony and Rose Bowl. Ron will be hosting these events on his own through Accountability for Life (AFL). Financially, we are not able to continue providing \$10,000 (total) in yearly scholarships. Discussion was made regarding 3 - \$1,000 scholarships or 6 - \$500 scholarships.
- A motion was made by Amy Johnston and seconded by Crystal Ierley and unanimously approved to award 6 - \$500 scholarships.
- Christen Hinderer met with S3 and Wellspan. Discussion the program would run June 2nd through August 11th. In the summer the buildings are not open on Friday. The time frame would be 9 – 11 am. Wellspan would do three hour blocks of time and S3 provides 2 hour blocks of time. Both require coaches to be there, additionally that is school policy. Wellspan will honor the price provided by S3. Discussion – Rachel Andricos would prefer the coaches give the recommendation on which program to use.
- Herb Schmidt was a successful event. The T-shirts and Sweatshirts sold out in an hour.

Concessions ran well. Around 8:00 pm ran out of a few things and Christen went to the store. Brooks did a great job and offered he would come back every year to help.

- We have a buyer, Rochelle Wert. We are still looking for a Big Orange manager and an indoor concession manager for spring and fall.
- The following board members are not seeking re-election for 2025/2026, President, Laura Klinedinst, Treasurer, Lori Rudy and Secretary, Amy Heim.
- Christen Hinderer has an interest in the President position and Laura Rider has an interest in the secretary position.
- At the May 12th meeting we will be voting on board positions and setting the calendar for next year.
- Adam Mower has been approved as the new athletic director. He has 7 years experience as the Hanover High School Athletic Director.
- Boys volleyball is currently ranked number 1. We anticipate they will be hosting 3 post season games.
- Membership report – no one appears to be using the online option. Membership is drastically down from prior years. Per Denise this year \$1,455, last year \$2,195 and prior year \$3,520. Feedback that the online membership is confusing.
- Rachel Andricos still needs information from track regarding senior night flowers. Flowers will be delivered to the office by 12:30 on the day of senior night. Please let Rachel know ASAP if your coach wants plaques for their banquet night.

TREASURER'S REPORT

- Per our Policy & Procedures "Teams may carry forward a balance to the following school year not to exceed \$2,500 and must be spent in that school year. (i.e. \$2,500 earned in 23/24, must be spent in 24/25). The school year runs from 7/1 to 6/30" – **If teams accounts are over \$2,500 coach needs to reach out to treasurer by 5/20 to discuss.**
- Final numbers for Herb Schmidt will be next meeting. Teams have not been credited yet for working Herb Schmidt.
- All forms available online to be completed for reimbursement.
